Dear Sir,

This is the second time Bayer held a Farewell dinner for our Annual Bayer Eco-Camp at SUN Asian Bistro.

The buffet spread looked attractive, the food was delicious especially the Laksa which everyone enjoyed, and the service pleasant and professional.

We are grateful to Joseph Wong and the team in helping make the event a success. As always, Joseph is most helpful and has been very accommodating to provide solutions for our requirements.

We wish SUN Asian Bistro continued success.

Yours faithfully,  
**Bayer (South East Asia) Pte Ltd**
